MARCHING BAND HANBOOK 2022 – 2023

Dear Parents & Band Members,

Welcome to the 2022 - 2023 duPont Manual Crimson Sound Marching Band! I hope that this Handbook serves as an easy resource for any information or questions you may have about the duPont Manual HS Band Program.

As most of you know, Manual has been designated a “National School of Excellence” and received a Gold Status in Newsweek’s ‘Top American Schools’, is #1 in the state of Kentucky and #1 in Jefferson County. It seems that every year we have several National Merit Semifinalists, Finalists and Valedictorians in both the Manual band program and the YPAS band program. We have great students at Manual High School! At 81 members, the 2022-23 Crimson Sound is our largest band to date in the last 40 years!

To reach the goal of maintaining the level of excellence of the past, we ALL need to work together in the spirit of the cooperation and mutual respect! Parents, students, and staff will have to dedicate themselves to meet the commitment of time, attendance, and fundraising needed to boost the level of quality of the Crimson Sound Marching Band as one of the best activities duPont Manual has to offer!

The 2022 edition of the Crimson Sound consists of an exciting and demanding competitive show entitled “***From within...***”. This show production will serve as the main production that we will use at games/competitions and will consist of custom arranged music, drill and choreography that will demand a great deal of our ensemble both visually and musically. *The idea behind it is that everyone faces a multitude of challenges and adversity throughout life. Often times, we feel trapped with nowhere to go. Eventually, hope and positivity prevails. Our closing composition of Eric Whitacre’s “Fly to Paradise” serves as this release, which is quite the contrast from our dark and aggressive ballad “My Body is A Cage” and the opening of our show, Beethoven’s “Moonlight Sonata”.* I am excited to see the potential this show production holds for us and I hope you like it. This particular show will replicate more of a contemporary drum and bugle corps style show production, such as the case for most competitive marching bands.

This year's band consists of approximately 56 returning members and 25 new members! I expect veteran members to lead by example on and off the field, take our new members under their wing and help them in any way possible. The Marching Band will perform at all home football games, one to two playoff games and seven to eight band competitions. The Marching Band will compete in KMEA sanctioned contests (including 5A State regionals, and the KMEA State Championships Semifinals (top 16 bands in the state) and hopefully Finals (top 6 bands in the state). In addition, the band will contribute to the overall spirit and excitement at all home football games and pep assemblies. The marching band will also travel to Walt Disney World in sunny Orlando, FL during the second semester. The Pep Band will perform at select home basketball games and tournament games. After a stellar 2021-22 season, our Winter Guard Program will continue to serve as a competitive training program for our current and

new color guard students as they push to the Tri-State Championships. This will be the fourth year we have offered a winter guard program.

Here are some measurable goals to keep in mind for us to be successful:

- 1) Put the bands agenda before your agenda. Your positive attitude and effort reflect upon the entire band program at every rehearsal and performance. This also means that you do not miss any rehearsals. Come to rehearsals, performances, and fundraiser events with a positive attitude. You should look forward to attending band events with some of your closest friends.
- 2) Put the thrill of performance first and foremost! The excitement you feel when you perform under the stadium lights must also be carried onto the practice field. When we do a “Run” of our show at the end of practice that is a performance. Enjoy it...milk it for all that it is worth. This is one of the most enjoyable things for the director and staff to witness. Agree on the common goal that we must improve at each and every rehearsal and performance.
- 3) Bond as a band family and treat each other with the upmost respect and admiration.
- 4) **Parents and students: for us to have a successful competitive season and reach our goal of making KMEA 5A State semifinals (top 16 Class 5A bands in the state), we must all do our part. This includes attending all events, being on time, supporting the band by attending booster meetings when possible, helping with the “Pit Crew” and most importantly, be willing to assist with fundraising. Most of the bands we compete against are putting much more time and \$\$\$ into their competitive season. We must maximize the time we have together.**
- 5) Parents and students: value the importance of the arts and music education. Be lifelong ambassadors of the arts and more importantly, this great organization we call the “Crimson Sound”.
- 6) Most importantly, have fun! Enjoy making a lifetime of memories and lifelong friends with your band family.

Let’s make this year an educational and memorable experience that no one will forget for many years to come!

Sincerely,

Jason Gregory

Students tardy to camp will stay at the end of each rehearsal and practice fundamentals with the band director, staff member, or drum major for the number of minutes they were tardy. Other forms of discipline may include running laps or pushups.
2. Any student who has an unexcused absence for any day of band camp may be dismissed from the band with no refund of fees. Refer to the attendance policies for acceptable excuses.
3. Wear light colored clothing and dry fit breathable material that is appropriate for hot, humid weather. **Wear socks and tennis shoe every day.** Always wear a hat, sunglasses and sunscreen. Students are to never go barefoot or wear sandals while outside. Sandals and a fresh pair of socks are encouraged for indoor time.
4. **Bring a 1/2” binder (with sleeves and binder clips), pencil, and drill/drill coordinates to every rehearsal.**
5. **STUDENTS MUST PROVIDE THEIR OWN LARGE WATER JUG FILLED WITH WATER. TWO LARGE ATHLETIC WATER JUGS WILL ALSO BE MADE AVAILABLE FOR THE ENTIRE BAND. CUPS WILL NOT BE PROVIDED.**
6. Throughout marching rehearsals, students will be given water breaks (“Gush & Go”). Students are not to throw ice, water, or engage in horseplay while on break. STUDENTS WILL NOT BE ALLOWED TO GO BACK TO THE SCHOOL TO GET DRINKS OR REFRESHMENTS DURING THE BREAKS. Rest breaks will also be given.
7. EAT A HEALTHY BREAKFAST AND GET PLENTY OF REST PRIOR TO REHEARSAL. **AVOID DAIRY PRODUCTS & CHOCOLATE. FRUIT AND GRAINS ARE THE BETTER CHOICE.** WHAT WE DO IS EQUIVALENT TO PARTICIPATING IN AN ATHLETIC ORGANIZATION.

9. **NO STUDENT IS EVER ALLOWED TO LEAVE SCHOOL GROUNDS BY VEHICLE OR FOOT DURING CAMP REHEARSAL HOURS.**
10. Students should expect the Director, Staff, and Drum Major to be fair and motivating, but demanding and intolerable of attitude or discipline problems. Anyone that is not willing to take constructive criticism or give 100% effort should not be in the “Crimson Sound” marching band. Our ultimate goal is to help each individual be the best they can be to reach their maximum potential while striving toward perfection.
11. It is important to our band, school, and community that we all work together as a team and present ourselves as well-mannered, mature, young adults, in public, Self-discipline and teamwork are expected!
12. **ABSOLUTELY NO MEMBERSHIP INITIATIONS/HAZING!**
13. **Pack a healthy lunch. The boosters will supply snacks and fruit throughout both weeks of camp during the lunch hour. This should not supplement for your lunch.**

A NOTE ABOUT HEAT

The JCPS band directors have adopted our own heat index rehearsal guidelines that follow the rules of KHSAA. As a band director, I am required to measure the heat index at different times of the day with a hygrometer and record the readings. I (like all coaches) then turn these readings in to our Athletic Director, David Zuberer once a week. As we experience our hottest weather during band camp, I can assure you that your child will be safe. We will provide 2 large Gatorade containers full of ice water at every outdoor rehearsal. We will also supply a small cooler filled with cool wash clothes if needed for anyone who is severely overheated. I also ask the students to start the day off by providing their own jug of ice water from home. We take frequent water breaks and adjust these breaks based on the weather patterns of the day. If the heat index reaches above 104 degrees, we must stop all outdoor activities and continue rehearsal inside. Of course, your child's ability to handle the heat directly relates to their overall physical condition, getting proper rest and eating healthy meals each day including breakfast.

Like all JCPS Band Directors & coaches, Mr. Gregory and Mrs. Alvey are certified in CPR and Defibrillator Usage. There are at least 6 defibrillators located on the Noe, Manual and YPAS campus.

GRADING POLICY

The Grading Policy for the band conforms to the Jefferson County Public School policy. It is the intention of this grading system to accurately assess the student's academic progress as well as his/her commitment to class obligations and educational goals. The Crimson Sound Marching Band meets only for the first semester.

ENGAGEMENT	<u>30%</u>
1. Daily Average	15%

PROGRESSION	<u>30%</u>
1. Music/Choreography	15%

NOTE: MISSING A PERFORMANCE WILL MOST LIKELY RESULT IN DISMISSAL FROM THE CRIMSON SOUND.

2. Playing, choreography, and drill exams may be given at regular intervals during the semester.

*** Students failing band on their semester grade report will not be allowed to schedule the class for the following year without a special parent/teacher conference to determine the student's commitment to the class and to work out strategies to improve the student's standing in the class.

CLASSROOM EXPECTATIONS

1. **NO CELL PHONES OUT DURING PERFORMANCE EVENTS OR REHEARSALS. –THANK YOU**
2. Enter and leave the rehearsal area in a calm manner. No running or shouting.

9. Students should keep music in their own binder. Do not share binders.

11. Absolutely no talking or playing out of turn when the director, staff member, drum major(s), or section leader is addressing the entire band.

Section leaders and drum majors should be the last members to leave the rehearsal space.
16. Students are expected to be picked up PROMPTLY at the conclusion of each rehearsal, performances and fundraising events. Please be respectful of the director's and staffs' time.
17. All instrument cases must be tagged. The director will supply these.
18. At no time should a student make a derogatory comment to another. Section leaders may help the members of their section in a constructive and sometimes aggressive manner. We must all work together in a spirit of cooperation for the band to reach its maximum potential. Be kind, courteous, and supportive of each other.
19. Always put forth your best effort no matter how your day has been. This is for the better of the band, not you. Always give 110 percent!

ATTENDANCE POLICIES

Students are EXPECTED to attend all rehearsals and performances. The band is a single unit requiring the talent and commitment of every individual in order to excel. It is an organization in which each person reacts and performs based on what others are doing around him/her. It is also the only class in which the teacher and the peers demand 100% accuracy from each and every member. Our collective goal is to reach as near level of perfection as possible both visually and musically with music education in mind. It is also our goal to entertain, be a spirit group, and hopefully attract new members while at football games. Therefore, we must be able to rely on everyone to do his/her part, make a unique contribution, and sacrifice for the good of the band.

ACCEPTABLE EXCUSES FOR MISSING ALL OR PART OF A REHEARSAL

1. Religious Holidays (Notification from the parent must be provided in advance).

DRUM MAJOR, COLOR GUARD AND PERCUSSION MEMBERSHIP

Auditions will be held at an announced time during the spring of each year (usually late May). Clinics for all percussion members (drum line and pit), color guard and drum majors will be announced at the spring band banquet. Attendance is required to be considered for membership.

All candidates selected at the audition require approval from the band director and instructional staff. Approval will be based on academics, performing ability, marching ability, promptness, attendance to school and the clinics, discipline records, the ability to attend all of band camp, and the ability to cooperate and follow directions.

Drum Major candidates must have been a member of the marching band for at least one year prior to auditioning. Only juniors and seniors for the following school year may audition. Candidates should be superior musicians with a propensity for conducting and providing leadership. They need to possess a strong voice for giving vocal commands and will expect to earn the respect of their peers. The drum major should expect to be actively involved in helping the director in running rehearsals including leading stretching exercise, leading individual students, and groups in marching and playing fundamentals, conducting, enforcing discipline without playing favorites, and helping motivate the band to always perform at the highest level of effort and concentration. If selected, participation in a select weeklong drum major camp is required during the month of June or July. The duPont Manual Band Boosters will pay for half of the camp fee. The other half of the camp fee will be paid for by the individual.

No students with outstanding band fees may audition. Any student with several discipline infractions, academic probation, or who does not demonstrate a positive attitude with the director will not be allowed to audition for drum major. The audition process is based on conducting, vocal commands, and an interview process.

FUNDRAISING PROCEDURES AND RESPONSIBILITIES

Maintaining a quality band program is very expensive. In no way does the Board of Education or Manual High School come near the cost of covering these expenses. Therefore, it is necessary for all students to help raise the necessary funds for meet the band's budget for the year.

To make the burden fair, we have divided the total amount of money needed for our seasonal budget by the number of students in the Marching Band and produce a dollar amount that each student will need to pay and fundraise to meet the band's needs.

Band fees for the 2022-23 season are based on 80 members' total: We have a shortage of app. \$29,000 that we must fundraise to meet our operating budget. WE KINDLY ASK THAT EVERYONE HELPS OUT.

Note: All fundraisers will need the assistance of all band members and families. Also remember we must have all band fees paid on time in order to maintain our program.

*****Since this is an after-school activity, fee waiver does not apply.**

CHAPERONE GUIDELINES FOR SUCCESS

One of the most rewarding positions for which a band parent can volunteer is that of Chaperone. Chaperones are needed in the ratio of 1 for every 10 students as dictated by the state of Kentucky. Parents who volunteer to perform this necessary and important function will quickly develop closeness and true exhilaration unlike any other they may have experienced in working with young people. We especially need parent help with the "Pit Crew". These are the folks that help us get all percussion equipment off the trailer and to the front sidelines in a brief period at band contests and football games.

In order to create positive conditions which will allow for a well-run and pleasant experience, the following guidelines should prove helpful during the time that you are a chaperone:

1. Arrive at the band room about 30 minutes prior to departure time. Pit/loading crew need to arrive 60-70 minutes prior to departure time.
2. Obtain a list of students.
3. Supervise the loading and unloading of the bus and equipment trailer to be sure that all instruments, uniforms, and equipment are loaded and unloaded.
4. Check your list of students every time we load the bus.
5. Keep the noise level of the students down so as not to disturb the bus driver. Loud singing, clapping, yelling, audio devices without headphones should be discouraged.
6. All students should remain seated while the bus is in motion and all body parts must always stay inside the window.
7. Always stay with the band unless they enter a restricted area. As soon as the band leaves that area join the band again.
8. Chaperones must accompany groups of students when they are given permission to go to the restroom or the concession stand. A chaperone must also accompany band members when going to and from the changing areas at band contests.

9. Help the band stay on schedule by moving the students in and out of busses and dressing areas.
10. Do not tolerate disorderly conduct, profanity, showing of affection, or any other behavior that is inappropriate in public.
11. Do not allow anyone to shout from the bus windows or throw objects out the window.
12. Tobacco, alcohol, and drug usage is not allowed at any band function.
13. Make sure that when we leave any place that the students have all their belongings and that we leave the place clean or cleaner than we found it.
14. Remain at school until every student has left the grounds.

CHAPERONE HELPFUL HINTS FOR OVERNIGHT TRIPS

1. At check-in, go through each room and make note of any damage that existed previous to our students entering the rooms.
2. Help to maintain orderly conduct in hotel hallways and all other areas where students congregate.
3. Discourage extremely loud talking, yelling, singing, and running in the hotel.
4. Help move the students to their room at curfew.
5. Participate in room checks as called by the director.
6. After curfew, make sure students settle down and remain quiet so as not to disturb guests.
7. Contact the director if there seems to be a major problem with a particular room or student. Do not try to handle the situation by yourself.
8. Stay awake in the hallways until all students are quiet and settled in.
9. Help make sure that all students are awake and on schedule if we are on a tight itinerary.
10. Check off rooms for any personal items that may have been overlooked and for cleanliness. All garbage should be in trash containers, all towels should be in the restroom, and all furniture should be in the same condition and location as found at check-in. Collect student keys and deliver to designated person.
11. Even when you get tired and irritated, try your best to remain cool-headed and pleasant and having an enjoyable time! Remember, they are teenagers.

THANK YOU SO MUCH FOR DONATING YOUR TIME AND YOUR TALENTS TO
HELP SUPPORT THE CRIMSON SOUND MARCHING BAND!

BAND BANQUET April 29, 2023 (Location TBA)

The Band Banquet is a wonderful opportunity to gather our band family and celebrate the accomplishments of the season. We also use this event as a way to start discussing the upcoming season. This is a classy affair and dinner is catered. **ALL BAND MEMBERS SHOULD ATTEND and eat for free.** Additional family members will have to pay a small fee to cover catering expenses.

BAND AWARDS CRITERIA

Receiving a sound educational experience in music and participation in a quality performing ensemble is, in the opinion of the music faculty, a significant enough reward for all participants. Members are cautioned not to over-emphasize the importance of extrinsic rewards such as trophies, plaques, etc. Instead, they should focus their talents on achieving a true quality musical experience while developing lifelong friendships. That is something that will have a longer lasting impact on your life!

Students who complete a year of participation in the band program, who go beyond the minimum course requirements, show themselves to be a dedicated participant, provides leadership, service, and integrity, will be eligible for additional awards at our spring band banquet to be held in the month of April.

The following is a list of criteria to qualify for these special awards:

1. No unexcused absences from any performances all season.
2. Receiving a passing grade for all three six-week grading periods.
3. No more than 2 absences from rehearsals including all summer and fall.
4. Having no outstanding fees or debts.
5. Having never been involved in serious matters of discipline in the band/school.
6. Consistently obeying and supporting all rules and conduct and study in the band program as explained by the director and Crimson Sound Handbook.
7. Exhibiting professional attitude and effort all season long.

Disney World Performance in January 2023

Every two years, the Manual Band travels to Walt Disney World resorts in Orlando, FL during the Martin Luther King Holiday Weekend (depart Wednesday afternoon on January 11th and return Monday, January 16th). We will leave on Wednesday after school, travel all night and then spend Thursday, Friday, Saturday, and Sunday at the parks and at a Disney Resort. Students will receive an excused absence for the two days (one red day and one white day) they miss. We will stay at one of the Disney Resorts. We will travel via nice Miller Transportation motor coach buses, 3 nights at a Disney Resort, 1 boxed dinner, 2 breakfast stops to and from Orlando on our travel days, and a 3-day Park Hopper for all 4 Disney Parks (Magic Kingdom, Epcot, Hollywood Studios & Animal Kingdom). As part of the trip, we march in a parade at the Magic Kingdom. Last year we participated in a Parade at the Magic Kingdom in front of app. 10,000 people from around the world. It was an amazing experience. The trip offers a lot for the price and the goal is that all Manual Band members attend. With that said, the band booster organization offers plenty of fundraiser opportunities.

WE WILL HOLD APPROXIMATELY 4 PARADE REHEARSALS THROUGHOUT DECEMBER AND JANUARY PRIOR TO OUR DEPARTURE. ALL PERFORMERS MUST ATTEND ALL 4 REHEARSALS. TIMES AND DATES TBA VIA THE BAND CALENDAR.

PEP BAND

The "**Crimson Sound Pep Band**" begin rehearsals in mid-November on Tuesday's from 2:45-4:15 once a week. We have about 6-7 rehearsals. **Note: students that are only in the Crimson Sound and not in an YPAS concert band class must participate in Pep Band. Everyone else is encouraged to participate.** The Pep Band is a high energy ensemble that performs a variety of arrangements from Motown, Classic Rock, Techno, Alternative, Hip-Hop to current hits and classics. The "Crimson Sound" pep band takes pride in learning roughly 25 songs (many are often quite challenging arrangements) to keep the fan base and musicians pleased throughout the course of the game. The pep band plays at every opportunity during a game (pregame, during time outs, during quarters, at half time and at the conclusion of the game). This helps create an exciting atmosphere for the fan base.

After about 6 one day a week rehearsal, the band will start performing at select Boys & Girls Varsity home games in December, January, and February. After school rehearsals conclude and the pep band performs at 10 home games. Many of these games are "Double Headers" (boys and girls on the same night) so there are less evenings that students must be at school. For example, the pep band may play at 10 games, but this may only take up 6 evenings. **In addition, the pep band is divided into two bands: A Red and White band. The bands tradeoff games during the season so in reality a student is only playing at 2-3 games at the most.**

Games are usually on Tuesday and Friday nights. The busiest time of the year is in early March when the boys' and girls' varsity teams head to District, Regional and State Championship tournaments. This is also when the pep band has the most fun and is exposed to other schools' fan bases. The "Crimson Sound" Pep Band often receives compliments not only from duPont Manual fans, but also from the opposition's fans.

Pep band members receive a half credit for the 2nd semester. There are no fees associated with pep band other than purchasing your own flip folder and lyre.

WINTER GUARD

Our winter guard program serves as an additional competitive performance opportunity for all current and new color guard members. This dance ensemble is open to any student on campus and incorporates dance, flags, rifles and saber into the competitive show routine. **All fall color guard members are strongly encouraged to participate in this activity.** This ensemble holds an informational meeting in December with rehearsals starting in early January and going through the end of March. Practices are typically on Tuesday and Thursday evenings (5-8 pm) at a nearby church gymnasium. A bus from campus to the church is provided. Parents are responsible for pickup.

The group competes in the Tri-State Circuit and performs at app. 4-5 contests including the Tri-State Championships. Winter guard has a complete operating budget and fundraisers. Membership fees are around \$400 and are divided into monthly payments.

Mrs. Alvey, Ms. Wiley and Ms. Martincic are the instructors and sponsors. This is the 4th year that duPont Manual HS will have a winter guard program.
